Subject: Re: BREDL Letters Regarding Pipeline Safety and ACP land agent issues

Thank you, Therese. Helpful to know.

Jeremy

Hi Jeremy,

I thought I would share two letters that BREDL sent regarding the ACP. One is to the Attorney General's office regarding actions of ACP land agents, the other is to the North Carolina State Firefighter's Association regarding pipeline safety. It also details the differences in construction and materials in rural communities.

Hope you are well,

Therese
